OBJECTIVE

Motivated and detail-oriented BCA final-year student aspiring to build a career as a Data Analyst. Skilled in Power BI, SQL, Python, and Excel with hands-on internship experience in data analysis, visualization, and customer analytics (RFM & churn). Eager to leverage analytical skills to solve real-world business problems.

EDUCATION

Bachelor of Computer Applications (BCA)

J. S. University, Shikohabad

Expected Graduation: 2026

SKILLS

- **Languages:** Python, SQL
- **Tools:** Power BI, Excel, MySQL
- **Libraries:** Pandas, NumPy, Matplotlib, Seaborn
- **Concepts:** Data Cleaning, Data Visualization, ETL, RFM Analysis, Churn Analysis, Statistics
- **Other:** Data Modeling, KPI Development, Dashboard Design, Business Analysis

INTERNSHIP EXPERIENCE

Data Analyst Intern | NullClass (Sep 2025 – Dec 2025)

- Developed an interactive Power BI dashboard analyzing 5,000+ tweet records with engagement metrics (likes, retweets, replies, impressions).
- Created advanced DAX measures to apply conditional logic based on tweet attributes and engagement patterns.
- Implemented time-based dynamic visuals using UTC logic to simulate real-time analytics.
- Built multiple visualizations (scatter, bar, line charts) to identify trends and top-performing tweets.

Data Analytics Intern | Internship Studio (Jan 2026 – Feb 2026)

- Cleaned and processed 10,000+ retail records using Python (Pandas, NumPy), improving data accuracy and consistency.
- Applied RFM (Recency, Frequency, Monetary) analysis to segment customers and identify top 20% high-value customers.
- Conducted churn analysis to identify at-risk customers and uncover retention patterns.
- Delivered actionable insights through analysis and visualizations to support business decision-making.

PROJECTS

- **Blinkit Sales Dashboard (Power BI)** – Analyzed sales trends and outlet performance using DAX & KPIs.
- **Employee Gender & Salary Analysis (MySQL)** – SQL analysis of gender trends, salaries, and stored procedure.

CERTIFICATIONS

- **Data Analyst Internship – NULLCLASS**
- **Data Analytics Internship – Internship Studio**
